TCVESSA Rally Springer of the Year

This award is for the Springer with the best total or average qualifying rally obedience scores. The best total or average of three qualifying scores earned during the award year will be used. Scores do not have to be earned from the same class. They must be earned at an AKC licensed rally obedience competition, from any regular class, under at least two different judges. Obtaining an additional score from each owner will break ties. If one owner does not have an additional score, a tie will be declared and both names will be inscribed. However, a fourth score cannot be withheld if it has been earned.
