Thanks for a Successful Specialty!

As president, I want to thank everyone who worked so hard to put on this year's back-to-back Specialties and our two weekend shows. This was our first opportunity for four consecutive sets of majors with our Specialty.

Thank you to Stephanie Bachman – Show Chair, and Jon Pidde – Obedience Chair; Mary Davis and Melanie Bergstedt, our ever-faithful conformation ring stewards; and Sheila Koon, Maryevelyn Monty and Jon Pidde's two nephews, our obedience ring stewards.

Joan Beck did an outstanding job producing the calendars as well as preparing food for our Thursday evening barbeque. She also worked on the floor plan for the show and calculated our electrical needs.

Our grill masters were Clif Brockman, Tracy Salzwedel and Gary Myhre.

Ann Sunderman received the grooming and barbeque reservations and coordinated the grooming space set-up for the barn.

I'm very grateful to the St. Croix Valley Kennel Club and the Washington County Fair workers for coming to our aid by providing more electricity than previously available.

Cyndi Myhre's trophy committee (Shirley Harford, Patty Salzwedel, Ann Sunderman and Barb Kroke), did our fabulous trophy lineup. Kristin Radermacher and Cyndi Myhre coordinated the raffle and Kris staffed the table. Sandy Pidde framed the beautiful prints.

Thanks to everyone not mentioned here who worked at the Specialties. The weather was gorgeous – cool and dry (no mud), and many compliments were heard.

The points were spread around, and we had exhibitors come from far and near. There were many happy (and exhausted) people at the end of the show.

I was not able to be present at the weekend shows due to my son's wedding and the arrival of a litter of seven. I was in and out on Thursday and Friday and was very proud of what I saw. Thank you all! Following is a complete listing of Specialty results.

Please remember to submit your requests for future Specialty judges to me or any board member as soon as possible.

Barb Ciresi
TCVESSA Club President

Sarah Salzwedel and Charlie win Best Junior Handler on Thursday and Best of Breed on Friday.

AKC Clarification of Rules applying to Dog Shows Date Protection

The AKC has updated Section 2 of the Rules Applying to Dog Shows to make it easier to maintain and protect your clubs corresponding dates for its show or shows to be held in the next succeeding year. If you are interested in the details of the change, please see the AKC Web site at:
<http://www.akc.org/dic/clubs/showrule.cfm>

AKC Changes to Conformation Junior Showmanship Regulations

Effective immediately, revisions have been made to further encourage young people to participate in our sport by reducing the minimum age to nine and allowing more juniors the opportunity to experience success as well as competing against other juniors closer in age. There will now be three classes of Junior Showmanship:

- 1. Junior (Novice and Open):** for boys and girls who are at least nine years old and under 12 years old on the day of the show.
- 2. Intermediate (Novice and Open):** for boys and girls who are at least 12 years old and under 15 years old on the day of the show.
- 3. Senior (Novice and Open):** for boys and girls who are at least 15 years old and under 18 years old on the day of the show.

For more information on Junior Showmanship regulations please see:
<http://www.akc.org/dic/juniors/rejrsh.cfm?page=3>

Old Business**2004 Specialty**

For quite a while it looked like the power requirements for the reserved grooming space might seriously cut into the clubs operating budget. We had quotes of close to \$1,300.00 to bring in generators for the reserved grooming. Because we were mixing generators with power supplied by the barn, it meant that we needed to bring in the Washington County building inspector, and purchase an expensive permit in order for our floor plan to be approved and to prevent anyone from getting electrocuted. In frustration, the TCVESSA Board re-contacted the St. Croix Valley Kennel Club (SCVVC) to see if anything could be done about the power problem. When we asked SCVVC and Washington County to pay for a portion of the generator costs, they decided a more cost effective solution would be to run power from the big power poles outside the building. The power problem was solved. All TCVESSA needed to do was purchase a few heavy-duty extension cords. Washington County has promised to update the power in the Bunny Building so we won't have the same problems next year.

Joan Beck will be coordinating all the food for the Specialty attendees. Clif Brochman, Tracy Salzwedel and Gary Myhre will serve as grill masters. Jill Shirley will provide brownies and lemon bars. Joan will provide the rest of the food and make sure it is served at the Specialty. Jon Pidde will supply the lunch for the obedience judges and Jon will also obtain the soft drinks and water for the two-day show.

The trophy committee reported that everything is basically ready for the Specialty. All that needs to be done is to assemble the packages.

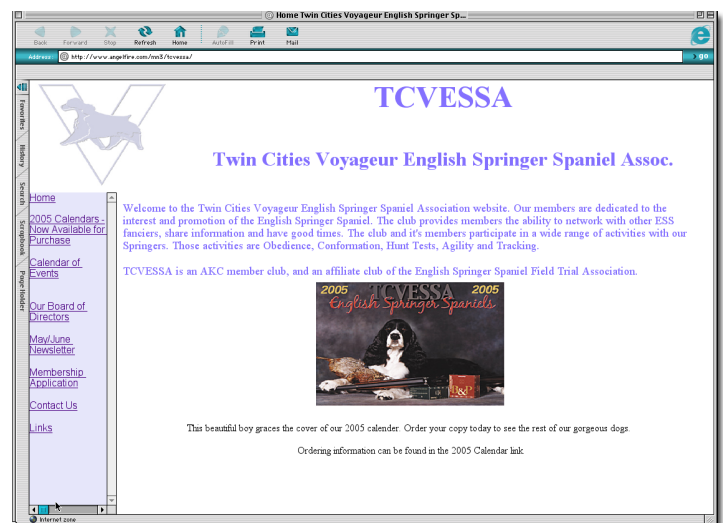

The Board decided that gift certificates to Timberlodge would be gracious thank you gifts for the Sweeps judges. Joan Beck volunteered to design and print special thank you cards to go along with the gift certificates.

TCVESSA Calendar Update:

The 2005 TCVESSA Calendar will be printed and available for sale during the August Specialty, on the TCVESSA Web site, at the Des Moines Specialty, at the Springer Nationals and on eBay. The calendar will sell for \$15.00 each. Shipping, if needed, will be an additional \$1.29.

TCVESSA Web site**Update:**

The TCVESSA Web site is up and running. Board member Julie Wilson has worked hard to create a club Web site. The Web site contains basic information about the club, photos from club sponsored activities, past copies of the newsletter and information on calendar sales. The Web address is: <http://www.angelfire.com/mn3/tcveesa/>
