

# From TCVESSA's President: Francie Nelson

Fall is my favorite time of year!

Warm days and cool evenings are spent on the patio with Felon literally on my feet. School has started again – as Tom Hanks' character notes in "You've Got Mail," it's time for the fragrance of freshly-sharpened pencils. And it's time for Springers – fall dog shows, agility trials, and hunting season!

Our agility trials are fast approaching on October 12-13-14, and our chairperson Kathy Patregnani reports that entries are filling fast. If you want to help out, or just be a spectator like me, please be sure to make the scene at St. Paul Dog Training Club on any one of those three days. Best of luck to all club members who are competing! Fall is also a time for TCVESSA to offer its annual General Membership meeting and education day. Look for the flyer in this issue of the VOX. In typical TCVESSA overachieving style, we have a great day planned for you – something for all Springer interests. Here are the basics:

## DATE: Sunday, October 28 TIME: 12:30 PM – 4:00 PM

## PLACE: Tails Up, Burnsville (see flyer for location)

We'll have a meeting to announce our slate of officers and directors for 2013 and to hear what's going on with planning for our 2013 specialty shows and other events and activities.

Then, we'll swing into three different educational programs for you – a conformation class with Julie Roberts, an introduction to Beginner Novice with Jon Pidde (if he's not hunting!!), and a talk on the breed standard with Yours Truly. You can participate in all three of these programs, or choose one or two.

Also, it's Halloween, so there'll be a costume competition with prizes and treats for all! Dress up your Springer, paint some freckles on your face, and come join us on October 28 for a great day of fun with your Springer friends!

Excuse me, while I adjourn, with Felon, to the patio. There's a hint of fall in the air and I'm off to enjoy a late night beverage and some stargazing. Hope you're enjoying your Springers, too!

Francie Nelson President, TCVESSA

PS: All good wishes to everyone who plans to attend this year's National Specialty at Purina Farms – blue ribbons for all!! And all the best to our very own Sarah Kraft, who's judging the sweepstakes!!

## We Need Your Ideas!

Every year, the members of TCVESSA strive to put on a memorable Specialty and we want to continue that tradition as we (already) begin to plan for our 2013 show. In the spirit of continuous improvement, we'd like your input and ideas.

Each year, the Board works hard to put together a Judging panel that is balanced and will have broad appeal. Our strategy has been to provide diversity by having a breeder judge and an all-breed judge for conformation. For Sweeps, we look for someone non-local, who has history in the Springer fancy, and for the second judge we look locally for someone who is knowledgeable about sporting breeds.

For Rally and Obedience, we try to find versatile judges who can handle all the classes we want to offer so that we can minimize costs. The Board carefully considers candidates, rank orders them, and then we contact the judges to determine availability for our dates. Then, if the stars all align, we have contracts signed and finalize our Judging Panel.

While the Board will maintain accountability for the final selection of the panel, we would love to hear your ideas for judges who fit our criteria –and who will help us have a fantastic show. If you have ideas for Conformation, Sweeps, Rally and/or Obedience judges, please send them to Liz Pike (liz.westring@genmills.com).

Also, I would welcome ideas for how to improve our show in general – we want to continue to offer the "Best" in Springer Specialties from the Best in Springer Clubs!
