Happy Summer TCVESSA Members,

We have a few announcements, and other items that need to be updated or were missing from the July Newsletter, so the Board thought it warranted an August VOX newsletter supplement. Please scroll through this edition and see updated information on the upcoming:

- Flushing spaniel "Introduction to Gundog Training" Seminar
- Two upcoming agility trials. We need volunteers for both. Please sign up at: <https://xtremek9s.com>
- Some additional announcements/brags
- Also, we have scheduled a nose work seminar with Holly Bushard on November 21-22 at Canine Cabin, Clear Lake, MN. Details and prices are not determined yet, but if you're interested let Courtney Hansen know via email. There are a limited number of working spots.

Niki

8/3/07 - 7/23/20

My heart is broken! Just a few days shy of her 13th birthday, 1 year since her failing kidney diagnosis and 6 months after her 6th PACH agility title, I held her as she slipped away. I will forever miss the best dog and agility partner.

Awards and Brags

Both girls have 4 out of 5 legs for their novice title (DN).

Tom Lenzmeier & Deanna Henshaw sent news that Sadie (Sadie Lynne 2) & Maxie (Maxie Girl 3) have been learning all about dock diving at the Dog Tank in Mendota Heights over the past several weeks. They thoroughly enjoy it; as you might imagine.

Carmen Laing reports:

Elsa and I went to Boone, Iowa June 26-28 for the Rat Pack Barnhunt Trial and the Fort Dodge Kennel Club FastCat trial. We earned 120 points in Crazy 8 -Barnhunt. No luck on the Championship legs. Elsa found a new sport she loves! And 92 points towards our FastCat BCat title. People crated outside or inside a separate barn.
